DEPARTMENT OF PUBLIC SERVICE REGULATION
BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MONTANA

IN THE MATTER of the Application of) UTILITY DIVISION
the TOWN OF STANFORD to Increase) DOCKET NO. 81.1.4
Water Rates.) INTERIM ORDER NO.4750

FINDINGS OF FACT

1. On January 4, 1981, the Town of Stanford (Applicant) filed an application with this Commission for authority to increase the water rates on a permanent basis by approximately 100% equaling a revenue increase of approximately \$17,000.
2. Concurrent with the filing of the permanent application for increased rates, the Town filed an application for an interim increase in rates of approximately 100% equaling a revenue increase of approximately \$17,000 or 100% of the proposed permanent increase.
3. The Town alleges the proposed interim increase in rates is necessary to meet debt service obligations.
4. The Town's exhibits indicate an interim annual revenue increase of \$17,000 is necessary to cover the debt service obligation on Water Revenue Bonds issued December 1, 1980.
5. The Commission finds that a uniform percentage increase in rates of 100% will generate approximately \$17,000 on an annual basis and that this interim increase is justified.

CONCLUSIONS OF LAW

1. The Commission has jurisdiction over parties and the subject matter in this proceeding.
2. The Commission may, in its discretion, temporarily approve increases pending a hearing or final action. If the final action is to disapprove the increase, the Commission shall order a rebate to all consumers for the amount collected retroactive to the date of the temporary approval, 69-3-304, MCA.
3. The application for a permanent increase will be noticed for a hearing at a later date.

ORDER

1. IT IS HEREBY ORDERED that Applicant file tariff schedules increasing rates by a uniform percentage of 100% to all customer classes.
2. The effective date shall be for water service rendered on and after February 17, 1981.
3. The increase granted herein is subject to rebate should the final order in this docket determine that a lesser amount than authorized by this order is required.

4. In the event a rebate is directed by the final order in this docket, provision shall be made in that order to cause all uncollected rebates to be escheated to the State of Montana in the manner provided by law.

DONE IN OPEN SESSION at Helena, Montana this 17th day of February, 1981, by a vote of 4 to 1.
